

CASH for CARE

Healthcare Now Has a Price Tag

Cash for Care has cash price tags for 7,000 select urgent care centers.

Affordable care with price transparency

Immediate care when you need it

Telemedicine is not always enough

No insurance hassle

No surprise bill

Available in all 50 states

Why was Cash for Care created?

- ✓ 2 out of 3 people don't get care for fear of a surprise bill
- ✓ 2 out of 3 people could have used an urgent care instead of the ER
- ✓ ER is #1 source of medical billing fraud, often a \$10K to \$30K bill
- ✓ We pay your bill so you don't get one.
